

LECOM LIBRARY RESOURCES

Library resources being made available to your osteopathic interns, residents, and fellows include:

1. Full Text Finder—Electronic Journals
2. Dynamed
3. EbscoHost
4. Embase (Drugs and Pharmacology)
5. Evidence Based Medicine Reviews
6. International Pharmaceutical Abstracts
7. LEXI-COMP- (Drug Information)
8. Medline (OVID)
9. Natural Standard – Integrative Medicine
10. StatRef (Medical Text)
11. SciFinder
12. OstMed

Up to Date is the only thing that we do not include in the resources due to licensing restrictions.

All LRC services are listed on the LECOM website (www.lecom.edu)

at: <https://lecom.edu/about-lecom/visit-lecom/lecom-learning-resource-center/services-lrc/>

If you have questions regarding these services or resources or require assistance with links to them, please email library@lecom.edu.

For assistance with set up, please contact Blake Rensel, IT support at LECOM, by email at brensel@lecom.edu or by phone at (814) 866-5161.
