TIPS FOR YOUR VACCINATION APPOINTMENT

1. Please arrive at your scheduled appointment time. You will not be able to enter the facility until then.
2. Please allow 20 – 30 minutes for administration of the vaccine and the required 15-minute post injection observation, which is required.
3. You **must bring your driver's license/state ID, and your insurance card**.
 - a. If **Medicare is your primary insurance**, please bring your traditional (red, white, and blue) card, not your Medicare HMO card.
 - b. Medicare, Medicaid, and all major commercial insurance plans are covering the administration of the vaccine. We are not billing for the vaccine drug itself because it is provided by the government at this time.
 - c. If an employee/patient does not have any medical insurance they can still receive the vaccine which may be billed to the HRSA COVID-19 Uninsured Program.
 - d. No patient will receive a bill.
4. Be sure to wear clothing that provides easy administration of the vaccine in your upper arm.
5. You will be screened upon entering the building (COVID-19 symptom check and temperature). ***Please wear a mask.***
6. You will be directed to the clinic location and:
 - a. need to complete a consent form with demographic information and a vaccination card;
 - b. be provided with the date you will need to return for your second vaccination; **this will either be 21 or 28 days later than your scheduled appointment, depending upon the manufacturer of the initial dose you receive.**
7. Following your vaccination, **you will be required to remain in the Auditorium for a 15-minute post injection observation before being allowed to exit.** At this time you will be provided with post vaccination education.
8. If you need to cancel your appointment, please call Central Scheduling at (330) 971-7496. **Please do not call this line to request a vaccine appointment.**
