

## PROGRAM DIRECTOR, FAMILY MEDICINE RESIDENCY

Western Reserve Hospital  
Cuyahoga Falls, Ohio

<https://www.westernreservehospital.org/>

Western Reserve Hospital is the only full-service, physician-owned and operated hospital in Northeast Ohio, fulfilling our mission to be a 100% patient-centered organization, Western Reserve Hospital provides comprehensive healthcare services in medicine, surgery, emergency care, critical care, cardiology, bariatrics, women's health, pain medicine, orthopedics, otolaryngology, and oncology. We are currently the only 5-Star rated hospital in Summit County, Ohio.

### Description:

Western Reserve Hospital is seeking a half-time board-certified family medicine residency program director to join our faculty. This role will include the opportunity to work with learners from all levels including medical and other students, and FM residents. The successful candidate will be eligible for a faculty appointment at affiliate colleges of medicine. Our most important assets are the residents, faculty and staff who work together to create the highest quality residency program as evidenced by our 100% Board passage rate for the past 30+ years.

### Position Details:

- Outpatient-focused program accepting two residents per year.
- Three ½ day sessions per week supervising residents and medical students in the Primary Care Center.
- One ½ day session per week overseeing residency didactic session.
- One ½ day per week protected administrative office time
- Candidate must maintain an active clinical practice, as required by ACGME program Requirements – time variable
- Administrative duties include ensuring the program remains compliant with ACGME and WRH Family Medicine Program requirements.

Requirements:

M.D. or D.O. degree

Board Certified in Family Medicine

3-5 years of residency faculty or residency program administrative experience required

To apply, submit to [stiburski@westernreservehospital.org](mailto:stiburski@westernreservehospital.org) :

- Curriculum Vitae
- Letter of interest describing what attributes make you a candidate for this position and your vision for the future direction of family medicine residency education
